Memories

Yesterdays.
A hundred of them filled with the joy and
wonder that a thousand tomorrows may never bring.
Soft murmurs. Warm friendships.
Gentle, musical strings.
The events of yesterday take
their final form between the pages of a book.
Such a little thing to hold the
accomplishments of men.
Such an important thing to hold the
key to memories.

Many Moods Of The Seniors Of '72

This is the story of how on September 1, 1971, sixty members of the Class of '72 became Seniors and their experiences as they changed into graduates of OHS. The Seniors first duty was election of class officers. Carrying out their roles as the leaders of the class were:

President: Kevin Bockrath
Vice President: Kenny Gasser
Secretary: Deb Looser
Treasurer: Mary Ann Wannemacher

Some of the "firsts" accomplished by the Seniors were:

Gene Honigford, a Senior, played the role of our first mascot. School spirit soared with his appearance.

Through the effort of the whole Senior class, enough chances were sold to make Mary Ann Wannemacher the first Christmas Queen.

Under Senior leadership the school displayed to the county its superior spirit. The result, the school's first sportsmanship trophy.

With plenty of hard work on the part of the Senior Yearbook Staff members many drastic changes were made to improve this year's yearbook, foremost being the addition of the first full color pages within the book.

The whole year focused on one event, graduation. Ordering invitations and memory books, cap and gown measurements, parties, pictures, the worry of final tests and finding summer jobs and the relief of getting out of school, all this is graduation. Yet graduation is much more. It is a feeling of nostalgia, a goal in life has been reached but the pep rallies, school parties and, most of all, the everyday relationships with friends will be missed. On May 28, 1972, all these were made memories to the Class of '72.

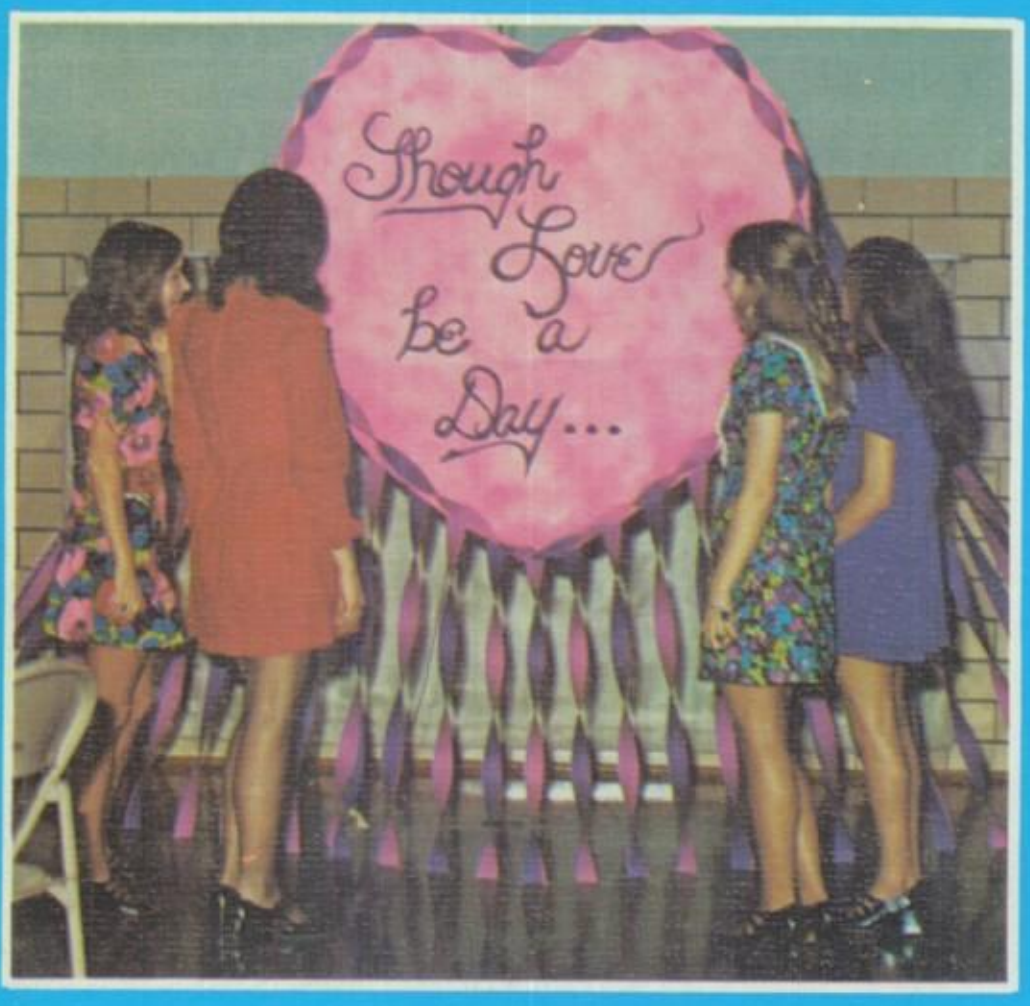
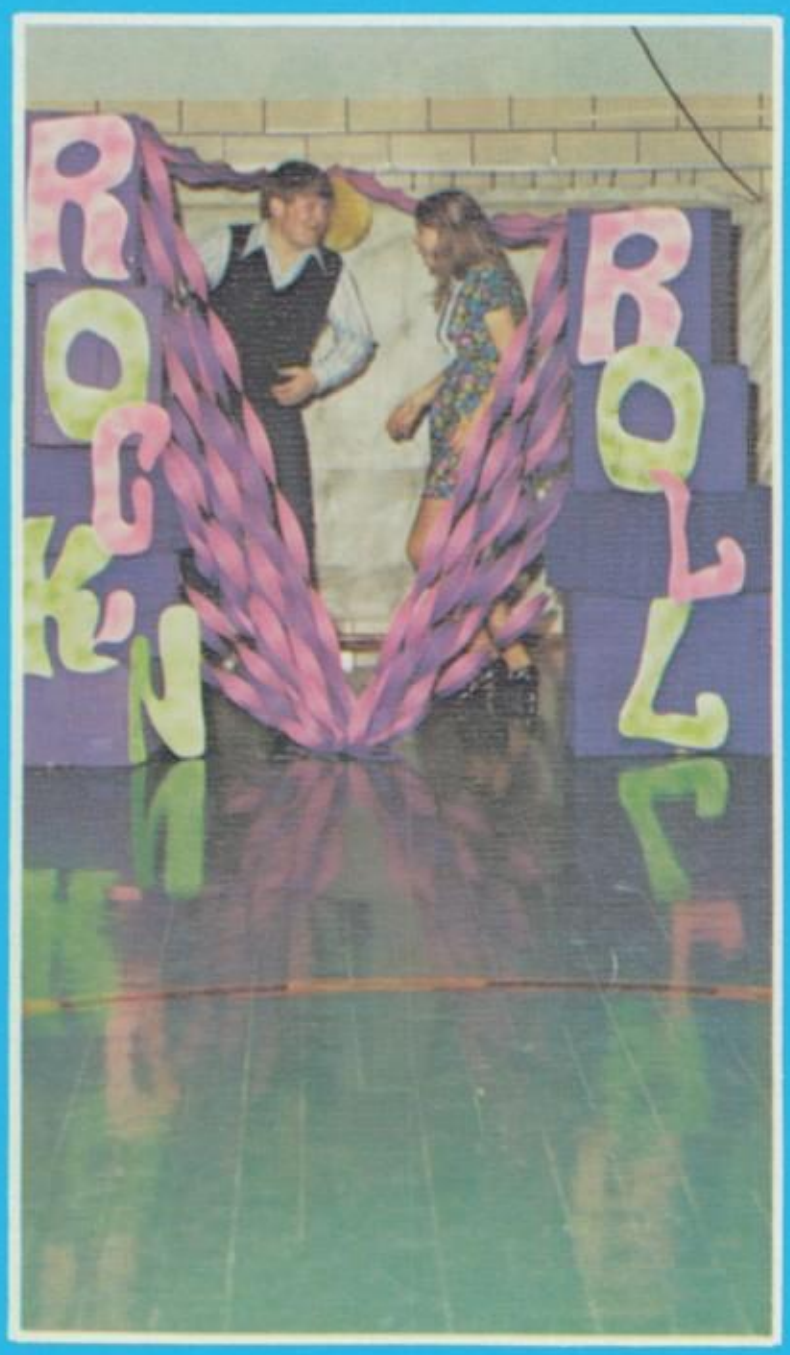
Somewhere Over The Rainbow

God, Love, Rock'n Roll





There are no rules about leaping into the new because nobody has ever been there before. But we have, the new God, the new love, the new rock'n roll, all vital parts of our lives today- our memories to relive tomorrow.

In God, love, rock'n roll, love is the connecting link. Love is our season, without it nothing else makes sense. We are molded and re-molded by those who have loved us. We show this molding in our belief in God and in our music.

No love-no beliefs can cross the path of our destiny without leaving some mark. We hope that we have left some mark upon you because we need God, love, rock'n roll. . . each other.

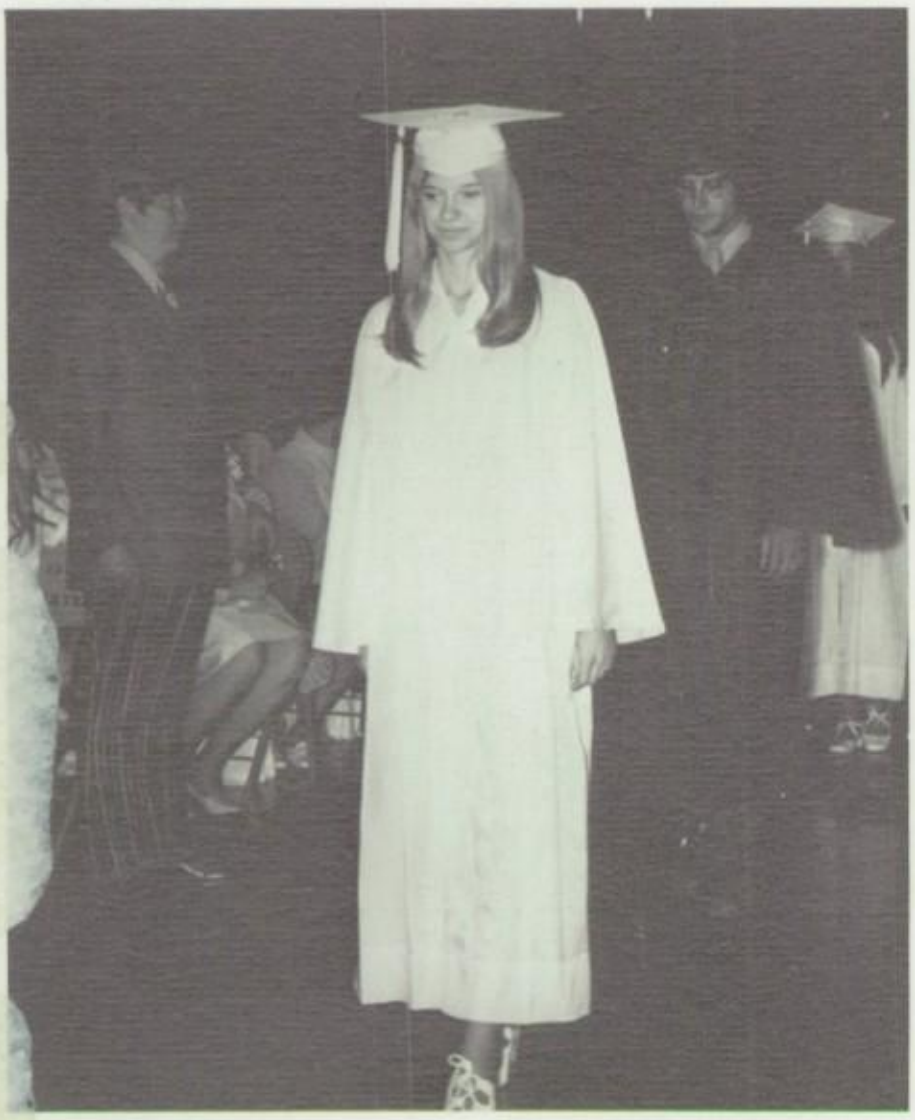
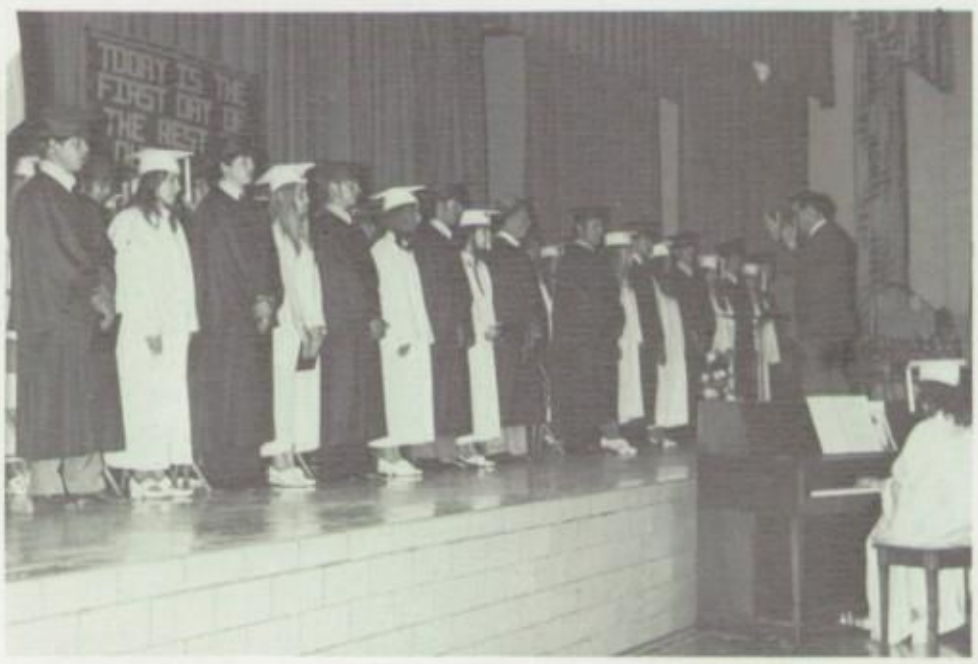
Graduation 1972



May 28, 1972



WE'RE ON OUR WAY

The twelve year goal of graduation was accomplished by the Class of '72 on May 28, 1972 at 2:00 PM. As the strains of "Pomp and Circumstance" echoed through the halls, fifty-seven Seniors embarked upon their futures. As they awaited their diplomas, four fellow classmates gave their thoughts on the past, present, and future and its affects on the class. Kay Horstman gave the "Welcome" speech, Martha Bonifas' speech was entitled "Now is the Time," "The New Horizon" was the title of Kenneth Burkhart's speech and Marlene Rellinger gave the "Farewell" speech. The diplomas were then presented and there was a sigh of relief as each Senior finally made it through the paces without a mistake.

One of the last decisions the Seniors made as a class was the selection of the class flower, colors, motto, and song. After days of deliberation the following were selected:

CLASS FLOWER
Pink Rose

CLASS COLORS
Hot Pink and Plum Craze

CLASS MOTTO
Today is the first day of the
rest of our lives.

CLASS SONG
"We've Only Just Begun"
by the Carpenters

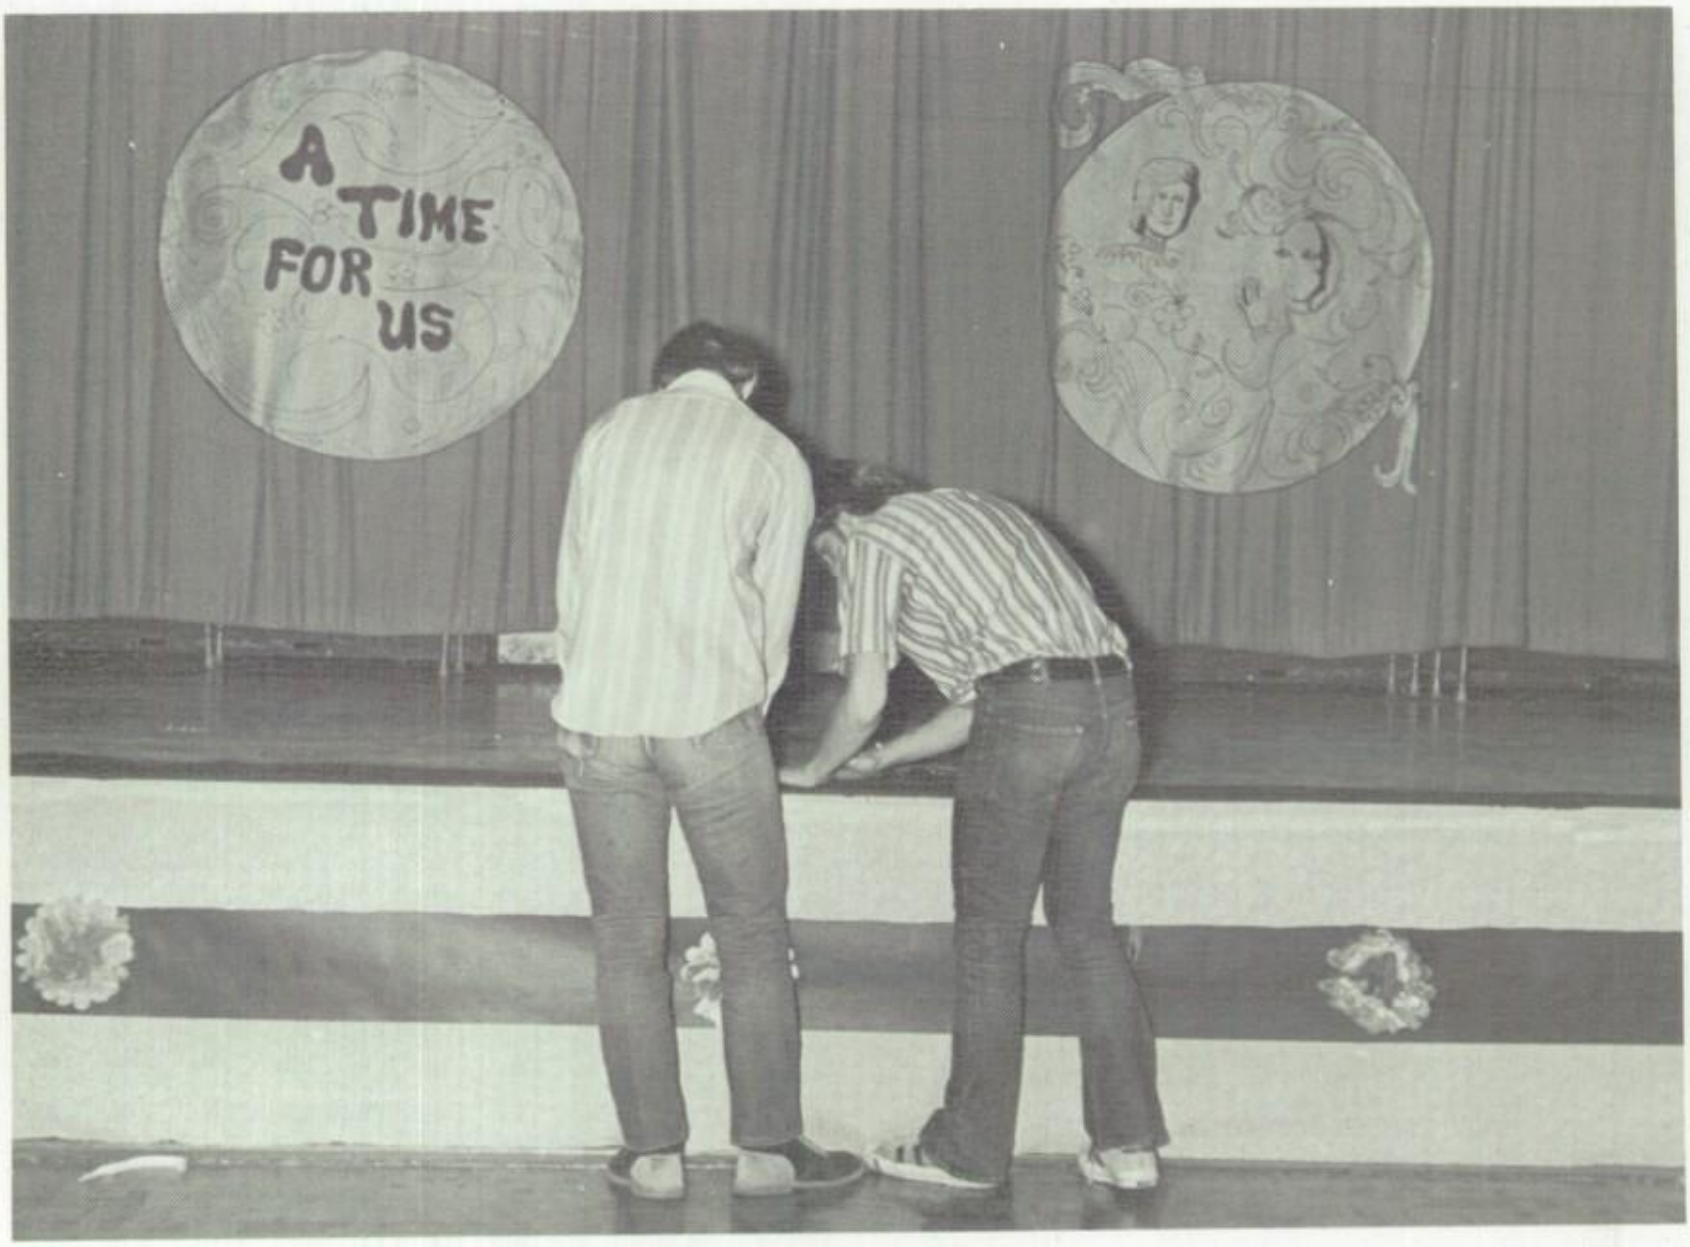
Junior-Senior Prom

Preparing . . .



"A Time For Us"

A junior-senior prom certainly does seem to be "A Time For Us." Many long hours of planning and preparing by the juniors brings classmates closer together. You can be sure they had their problems and moments of doubt, but a final success covers up those memories.

For the seniors, it is their last chance to share a full evening of enjoyment with fellow students and close friends. It proves to be an evening you'll never forget and adds a perfect touch to a senior's last weeks of high school.

Senior Class Trip

On what had to be the coldest day of the year, April 7, 1972, the Seniors set out on their class trip to Detroit Michigan. The first stop was Bowling Green where the Seniors enjoyed their breakfast at Howard Johnsons. At 9:00 AM they toured the Ford plant and steel mill in Dearborn, Michigan. The Seniors spent the afternoon at the Ford Museum and Greenfield Village. Battling the cold and three inches of snow was the main problem as they toured the historic grounds. After dinner in Monroe, Michigan, they returned to Toledo where they viewed the movie "What's Up Doc." They arrived back in Ottoville at 11:00 PM.

PCL Champs 1971-72

March 11th. marked the ending of a very successful basketball season. Among the achievements of the 71-72 season were: The best team record in Putnam County (17-5), the best difference statistic of + 13 pts. per game, PCL Champs (7-0) and the best defensive team with a 60.6 pts. per game effort. In tournament play, OHS won the super sectional championship at Van Wert, and the District Runner-ups at Bath.

Locally, this year's team set a new field goal percentage record (49.3%), had its starting five average double figures in scoring, and set two team single game offensive records. The first record was in the regular season when we scored 113 pts. against Miller City on January 21 and the second was in tournament play scoring 96 pts. against Ohio City on March 4th.

Leading our team this year were Co-Captains Don Hoersten and Tom Altenburger, who completed their third year of varsity play and who shared the MVP award this season. Also Tom set a new assist record with 6.9 per game and was selected on the second team PCL. While Don set a new individual field goal percentage record of 60.2% and he was selected to the first team PCL and the first team District "8" for Northwest Ohio.

I wish to thank our coaches, players, cheerleaders, and fans for helping our school receive the Putnam County Sportsmanship trophy and for helping me receive the honor of Putnam County COACH OF THE YEAR.

Reserves

Having enjoyed playing basketball when I was a student at Ottoville High School, I can Honestly say I have equally enjoyed coaching the "Little Big Green."

Looking back at the past season I feel it was a very successful year, having compiled a 13-6 record.

A winner never quits so I wish to challenge each and every member of the reserve team to work hard in all respects of life, improve yourself in every way possible, conquer the foes and forces that confront you; and above all, "never say die" when victory seems to be out of reach.

Again, I am very grateful for having had the opportunity of working with a very fine bunch of young men.

Ottoville Reserve Coach
